

# POP Compliance Declaration

Supplier Declaration in accordance with the POPs Regulation (EU)  
2019/1021 and the Stockholm Convention

Dear Sir or Madam,  
we hereby confirm that we comply with the requirements of the Stockholm Convention, which aims to protect human health and the environment from persistent organic pollutants (POPs).

Exceptions apply exclusively to assemblies that are explicitly ordered by our customers with appropriate exemption authorizations as not subject to the POPs regulation.

The delivery of such assemblies is carried out solely on the basis of separate contractual agreements.
